We will also promote and support punctuality in attending lessons.

2. Legislation and guidance

This policy is based on the Department for Education’s (DfE’s) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#) and [school attendance parental responsibility measures](#). - Make sure their child attends every on time
- Call the school to report their child's absence before **9am** on the day of the absence and each subsequent day of absence, and advise when they are expected to return
- Provide the school with more than 1 emergency contact number for their child

- Ensure that, where possible, appointments for their child are made outside of the school day

Parents should be aware that they do not have the automatic right to take their child out of school for a holiday during term time. This results in lost learning that cannot be recaptured.

3.8 Pupils

Pupils are expected to:

- Attend school every day, on time ready to learn

4. Recording attendance

4.1 Attendance register

We will keep an electronic attendance register, and place all pupils onto this register. (Arbor)

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark, using the appropriate national attendance and absence codes from the School Attendance (Pupil Registration) (England) Regulations 2024, whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See Appendix 1 for the DfE attendance codes.

We will also record:

- Whether the absence is authorised or not
- The nature of the activity, where a pupil is attending an approved educational activity
- The nature of circumstances, where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 6 years after the date on which the entry was made.

The school day starts at **8.45am** and ends at **3.15am (8.30/11.30am & 12.30-3.30pm Nursery)**.

Pupils must arrive in school by **8.55am** on each school day.

The register for the first session will be taken at **8.55am** and will be kept open until **9.15am**

(Registration Nursery: 8.30am open (close 8.45am) Nursery am /12.30pm (close 12.45pm Nursery)

The registration for the second period Reception will take place at 12.30pm and is kept open to 12.45pm

The register for the second session will be taken at 1pm and will be kept open until 1.15pm .Y1 -Year 2

4.2 Unplanned absence

The pupil's parent must notify the school of the reason for the absence on the first day of an unplanned absence by 9am, or as soon as practically possible, by calling the school admin staff, who can be contacted via 01922 720713

We will mark absence due to physical or mental illness as authorised, unless the school has a genuine concern about the authenticity of the illness.

Where the absence is longer than 4+ days, or there are doubts about the authenticity of the illness, the school will ask for medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents will be notified of this in advance.

4.3 Planned absence

We encourage parents to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent notifies the school in advance of the appointment.

The pupil's parent must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise.

4.4 Lateness and punctuality

A pupil who arrives late:

- Before the register has closed will be marked as late, using the appropriate code L
- After the register has closed will be marked as absent, using the appropriate code U (classed as an session absence)

After 5 recorded lates you will receive a 'Late Letter' to remind you of the importance of punctuality to prevent lost learning.

4.5 Following up unexplained absence

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

- Call the pupil's parent on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the pupil's emergency contacts, the school may send a text message, complete a home visit, contact the EWO to conduct a home visit
- Identify whether the absence is approved or not
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session(s) for which the pupil was absent
- Call the parent on each day that the absence continues without explanation, to make sure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving an education welfare officer
- Where appropriate, offer support to the pupil and/or their parents to improve attendance
- Identify whether the pupil needs support from wider partners, as quickly as possible, and make the necessary referrals at Early Help L2 SBS

- Where support is not appropriate, not successful, or not engaged with school will issue a notice to improve, penalty notice or other legal intervention (see section 5.2 below), as appropriate

4.6 Reporting to parents

The school will regularly inform parents (see definition of 'parent', as used in this policy, in section 3.7 above) about their child's attendance and absence levels e.g. via half-termly electronic reports

5. Authorised and unauthorised absence

5.1 Approval for term-time absence

The headteacher will allow pupils to be absent from the school site for certain educational activities, or to attend other schools or settings.

The headteacher will only grant a **leave of absence** to a pupil during term time if the request meets the specific circumstances set out in the [2024 school attendance regulations](#). These circumstances are:

- Taking part in a regulated performance, or regulated employment abroad
- Attending a school transition visit
- A temporary, time-limited part-time timetable
- Exceptional circumstances

A leave of absence is granted at the headteacher's discretion, including the length of time the pupil is authorised to be absent for.

We define 'exceptional circumstances' as requests due to the pupils serious health needs

Leave of absence will not be granted for a pupil to take part in protest activity during school hours.

As a leave of absence will only be granted in exceptional circumstances, it is unlikely a leave of absence will be granted for the purposes of a family holiday.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant background context behind the request.

Any request should be submitted as soon as it is anticipated and, where possible, at least 2 weeks before the absence, and in accordance with any leave of absence request form, accessible via the school office. The headteacher may require evidence to support any request for leave of absence. (eg Confirmation of Travel and return tickets.

Other valid reasons for **authorised absence** include (but are not limited to):

- Illness (including mental-health illness) and medical/dental appointments (see sections 4.2 and 4.3 for more detail)
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parent(s) belong(s). If necessary, the school will seek advice from the parent's religious body to confirm whether the day is set apart
- Parent(s) travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision
- If the pupil is currently suspended or excluded from school (and no alternative provision has been made)

Other reasons the school may allow a pupil to be absent from the school site, which are not classified as absences, include (but are not limited to):

- Attending an offsite approved educational activity, sporting activity or visit or trip arranged by the school

- Attending another school at which the pupil is also registered (dual registration)
- Attending provision arranged by the local authority
- Attending a government meeting (e.g. passport /patriation / residency meeting)
- If there is any other unavoidable cause for the pupil not to attend school, such as disruption to travel caused by an emergency, a lack of access arrangements, or because the school premises are closed

5.2 Sanctions

Our school will make use of the full range of potential sanctions – including, but not limited to, those listed below – to tackle poor attendance. Decisions will be made on an individual, case-by-case basis.

Penalty notices

The headteacher (or someone authorised by them), local authority or the police can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age, by issuing a penalty notice.

If the school issues a penalty notice, it will check with the local authority before doing so, and send it a copy of any penalty notice issued.

Before issuing a penalty notice, the school will consider the individual case, including:

- Whether the national threshold for considering a penalty notice has been met (10 sessions of unauthorised absence in a rolling period of 10 school weeks)
- Whether a penalty notice is the best available tool to improve attendance for that pupil
- Whether further support, a notice to improve or another legal intervention would be a more appropriate solution
- Whether any obligations that the school has under the Equality Act 2010 make issuing a penalty notice inappropriate

Each parent who is liable for the pupil's offence(s) can be issued with a penalty notice, but this will usually only be the parent/parents who allowed the absence.

The payment must be made directly to the local authority, regardless of who issues the notice. If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

If issued with a **first** penalty notice, the parent must pay £80 within 21 days, or £160 within 28 days.

If a **second** penalty notice is issued to the same parent in respect of the same pupil, the parent must pay £160 if paid within 28 days.

A **third** penalty notice cannot be issued to the same parent in respect of the same child within 3 years of the date of the issue of the first penalty notice. In a case where the national threshold is met for a third time within those 3 years, alternative action will be taken instead.

A penalty notice may also be issued where parents allow their child to be present in a public place during school hours without reasonable justification, during the first 5 days of a suspension or exclusion (where the school has notified the parents that the pupil must not be present in a public place on that day). These penalty notices are not included in the National Framework, not subject to the same considerations about support being provided, and do not count towards the limit as part of the escalation process.

In these cases, the parent must pay £60 within 21 days, or £120.

Notices to improve

If the national threshold has been met and support is appropriate, but parents do not engage with offers of support, the school may offer a notice to improve to give parents a final chance to engage with support.

Notices to improve will be issued in line with processes set out in the local code of conduct for the local authority area in which the pupil attends school.

They will include:

- Details of the pupil's attendance record and of the offences
- The benefits of regular attendance and the duty of parents under [section 7 of the Education Act 1996](#)
- Details of the support provided so far
- Opportunities for further support, or to access previously provided support that was not engaged with
- A clear warning that a penalty notice may be issued if attendance doesn't improve within the improvement period, along with details of what sufficient improvement looks like, which will be decided on a case-by-case basis
- A clear timeframe of between 3 and 6 weeks for the improvement period
- The grounds on which a penalty notice may be issued before the end of the improvement period

6. Strategies for promoting attendance

Palfrey Infants will always challenge falling attendance and reward improvements. We are committed to the future of all children that attend Palfrey, and by working in partnership with the school community we believe that together we can achieve more! We can only achieve this by working in partnership with you, if you have any concerns or anything that prevents your child from attending school or if you would like to discuss our approach to attendance please initially contact the school office and an appropriate member of staff will return your call.

At Palfrey we feel it is important to reward children who have achieved good or improved attendance. We notify parents of our whole school attendance percentage in our attendance newsletter and advise you when we have school attendance campaign weeks. We have attendance displayed in our school entrance. We also have attendance specific newsletters to highlight the importance of attendance. We have a clear visual to show the process of how we monitor attendance and the support available (see appendices)

Parents of pupils showing a concern receive a phone call or are invited to a meeting (with Mrs Adams/ EWO) to discuss how we can support. These discussions are logged on CPOMS. Attendance support contracts are completed and monitored if absence persist. Improvement is celebrated with pupils receiving certificates and a prize from the Headteacher prize box. Parents can be signposted for Early help support if required.

Parents requesting long term holiday have a meeting to discuss the impact of the term time absence on learning – parents are requested to consider reducing the period of leave to the minimal.

Our weekly Attendance challenge allows classes to celebrate their collective attendance successes. When a class achieves 96% the class is awarded a sticker, 2 for the highest % class and 3 if the class has 100% attendance. (Consideration is taken for classes with long term absent pupils due to illness or awaiting taking off roll).

The class with the highest termly attendance wins an opportunity to attend a 'create and make a pizza party.'

Pupils with 100% term attendance win a badge to attach to their reading bag.

Pupils with 96% attendance will be awarded a certificate.

Pupils with 100% annual attendance receive a golden 100% badge to display on their book bag.

Pupils with a significant improvement will get a certificate and may be awarded a prize from the Headteacher prize box.

Parents and Pupils termly 'gift pack' prize is awarded. Pupils within the top 100 attenders are put forward for the drawer. We recognise our parents role in promoting excellent attendance our pupils attendance.

The Headteacher will refer to the pupils attendance in the end of year report , comparisons are made with the previous year and a target for improvement is made for those below expected levels. The Headteacher celebrates pupils good attendance within their end of year report to ensure parents and pupils make the link with attendance and achievement.

7. Supporting pupils who are absent or returning to school

7.1 Pupils absent due to complex barriers to attendance

Pupils returning to school following medical procedures or long term illness will be in liaison with NHS guidance and advice. Pupils will be supported with home learning packs to be completed when well but waiting to return.

We work with School Nursing and other medical teams to ensure Support and Care Plans are in place.

Where a phased return is required 'Reduced timetable paperwork' will be submitted to the CME team, the aim to support the pupil within 6 weeks where possible.

7.2 Pupils absent due to mental or physical ill health or SEND

Pupils with complex SEND needs may require a longer transition into school (usually in Reception) this is agreed with the parents and reviewed weekly. School and Parents have a written agreement with a clear timetable for planned progression if the initial period is extended. The aim is to maintain safety and the emotional needs of the pupil ensuring the pupil is attending full time in a clear timeframe.

Where a pupil has an education health and care (EHC) plan and their attendance falls, or the school becomes aware of barriers to attendance that related to the pupil's needs, the school will inform the local authority

Pupils with SEMH needs are considered on an individual basis. The school may suggest a part time timetable to enable support to be considered. We support in school with our pastoral provision. We advise parents to seek support from the family Dr and also signpost to school nursing , CAMHS. School will complete a 'LA reduced timetable' and inform the CME team. Plans are revised every 8 weeks . Pupils of non statutory school identified with SEMH are supported through a longer transition.

Pupils who are absent for medical reasons are supported e.g. long term health problems, work is provided when the pupil is well enough to complete. This is discussed with parents in a supportive manner. We seek support from Shepwell School / Hospital where home visits are suitable. Parents are supported emotionally through safe and well calls. We liaise with medical professionals when procedures needs to be in place prior to a child returning.

7.3 Pupils returning to school after a lengthy or unavoidable period of absence

Pupils who have been on a long-term holiday are supported as part of our pastoral work. Pupils are welcomed back and consideration is made to allow a child to readjust to school life. They are re-assessed for key learning (Phonics) and placed in suitable groupings. Parents will be contacted if there are concerns to suggest how to support catch up.

Pupils who have been absent due to long term illness may require an agreed transition period in school. This will be monitored and 'Walsall LA reduced timetable procedures' would be followed.

8. Attendance monitoring

8.1 Monitoring attendance

The school will monitor attendance and absence data (including punctuality) half-termly, termly and yearly across the school and at an individual pupil, year group and cohort level.

Specific pupil information will be shared with the DfE on request.

The school has granted the DfE access to its management information system so the data can be accessed regularly and securely

Data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics.

The school will benchmark its attendance data at whole school, year group and cohort level against local, regional, and national levels to identify areas of focus for improvement, and share this with the governing board.

8.2 Analysing attendance

The school will:

- Analyse attendance and absence data regularly to identify pupils, groups or cohorts that need additional support with their attendance, and
- Identify pupils whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence
- Conduct thorough analysis of half-termly, termly, and full-year data to identify patterns and trends
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

8.3 Using data to improve attendance

The school will:

- Develop targeted actions to address patterns of absence (of all severities) of individual pupils, groups or cohorts that it has identified via data analysis
- Provide targeted support to the pupils it has identified whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence, and their families (see section 8.4 below)
- Provide regular attendance reports to class teachers to facilitate discussions with pupils and families, and to the governing board and school leaders (including special educational needs co-ordinator, designated safeguarding lead and pupil premium lead)
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies
- Share information and work collaboratively with other schools in the area, local authorities and other partners where a pupil's absence is at risk of becoming persistent or severe, including keeping them informed regarding specific pupils, where appropriate

8.4 Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school. Reducing persistent and severe absence is central to the school's strategy for improving attendance.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Consider potential safeguarding issues and, where suspected or present, address them in line with Keeping Children Safe in Education
- Hold regular meetings with the parents of pupils who the school (and/or local authority) considers to be vulnerable or at risk of persistent or severe absence, or who are persistently or severely absent, to:
 - Discuss attendance and engagement at school
 - Listen, and understand barriers to attendance

- Explain the help that is available
- Explain the potential consequences of, and sanctions for, persistent and severe absence
- Review any existing actions or interventions
- Provide access to wider support services to remove the barriers to attendance, in conjunction with the local authority, where relevant
- Consider alternative support that could be put in place to remove any barriers to attendance and re-engage these pupils. In doing so, the school will sensitively consider some of the reasons for absence
- Implement sanctions, where necessary (see section 5.2, above)
- Consider Eid as a Training Day (if able to work with school priorities)
- Phone calls as part of Pastoral work. (Safe and Well checks)
- Monitor the PA list weekly
- Pupils presenting SEMH needs considered and advice sought including support through reduced timetables. Advice from the Walsall Inclusion Hub is sought.

9. Monitoring arrangements

This policy will be reviewed as guidance from the local authority and/or DfE is updated, and as a minimum **annually** by the Headteacher / Pastoral Lead Attendance . At every review, the policy will be approved by the full governing board.

10. Links with other policies

This policy links to the following policies:
